RIKI JAIN

Featured Employee

women's day special

As a 'Marketing Specialist' at Brenlo, Riki manages our brand positioning by designing creative campaigns and leveraging digital media platforms. With her pragmatic and result-oriented mindset, she is determined to continue building Brenlo's market presence.

With an MBA in Marketing & Communications, she has brought with herself nearly a decade of experience from different industries, not limited to, real estate, design and events.

She keeps herself updated in a constantly changing digital marketing world and contributes immensely through her strategy driven proactive approach.

Interesting Fact: She is married to her high school bestie and cherishes each moment spent with her family. She is fond of singing and has given numerous stage performances during her academic years. She finds solace in nature and her best adventure stories include solo travels, river rafting and ziplining.

We are delighted to celebrate her efforts at Brenlo.

At Brenlo, women are celebrated for their energy, enthusiasm, inspiration, and hard work. Each woman was given personalized mugs and key chains as a loving gesture and to acknowledge their contributions.

Quoting our President's message :

"Salute to all the women and best wishes on International Women's Day. Please accept my utmost respect for everything you do. "
