DECKING SEASON ISN'T OVER YET!

COMMUNITY + INDUSTRY ENGAGEMENT

BRENLO WAS
EXCITED TO STEP
INTO THE SPOTLIGHT
AT OUR VERY FIRST
TRUNK SHOW AT THE
COLLECTIVE
WORKSPACE

For the first time, Brenlo had the exciting opportunity to exhibit at The Trunk Show, hosted at the beautifully curated *Collect Work Space*. Surrounded by some of the design industry's most inspiring talents, we showcased our premium mouldings and doors in an environment that celebrated innovation and creativity. The event allowed us to connect with designers, builders, and creatives in a fresh, meaningful way — sparking engaging conversations, design ideas, and future collaborations. It was a memorable debut, and we're thrilled to have been part of such a dynamic and forward-thinking showcase.

SINCE 1988

BUILDING SUPPORT WHERE IT MATTERS MOST

Brenlo was proud to sponsor the putting hole at this year's Renos for Heroes Golf Tournament, supporting a charity that provides essential home renovations for injured Canadian veterans and their families. Through barrier-free upgrades and accessible living solutions, Renos for Heroes helps restore dignity, mobility, and independence to those who have sacrificed so much for our country. Our involvement in the event reflects Brenlo's ongoing commitment to giving back to the community and standing behind causes that truly make a difference.

CELEBRATING A YEAR OF SUCCESS ON THE GREEN

To close out an incredible 2025, Brenlo colleagues came together for our annual End-of-Year Golf Tournament—a well-deserved day of fun, friendly competition, and team bonding. From tee-off to the final putt, it was a great way to celebrate our collective hard work and accomplishments.

A big thank you to everyone who participated and helped make the day such a success. Here's to an even stronger 2026—on and off the course!

STILL THINKING ABOUT DECKING?

Looking to finish summer strong? Brenlo offers a curated selection of decking options to suit every style and project need:

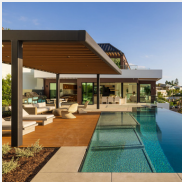

ACCOYA

Sustainably modified wood known for unmatched durability, stability, and resistance to rot — ideal for high-performance outdoor applications.

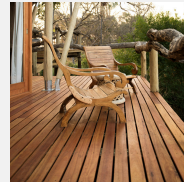

BAMBOO

Eco-friendly and ultra-dense, bamboo delivers a modern, refined look with impressive strength and sustainability.

FROGBOARD

A revolutionary wood alternative that's 100% water-resistant, low maintenance, and designed to withstand Canada's toughest weather conditions — all while delivering a natural wood-look finish..

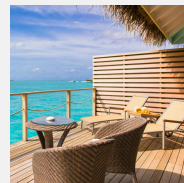

KNOTTY CEDAR

Rustic charm meets natural decay resistance. A classic choice with warmth, texture, and timeless appeal.

ASH

A strong, bold-grained hardwood perfect for elevated designs that demand durability and a distinct visual statement.

CLEAR PINE

Light, clean, and versatile — clear pine offers a smooth finish that's great for staining and customizing to your outdoor vision.

EMPLOYEE SPOTLIGHT

Meet Nick, a valued member of Brenlo's team and our Outside Sales Representative. Since joining Brenlo, Nick has been driven by the opportunity to work alongside a talented team while taking on the challenge of building strong client relationships. What he enjoys most is seeing a client's vision come to life — transforming ideas into custom solutions that reflect the natural beauty and value of wood. One standout project he's especially proud of is a large-scale development that provided a great opportunity to onboard a builder from our network. He's motivated by creating real, tangible results and thrives on taking a project from concept to completion. Whether solving complex problems, exceeding targets, or building long-term partnerships, Nick brings energy and passion to every step. Outside of work, he enjoys practicing the Santoor, finding balance between professional growth and personal enjoyment.
